Reliance Communications holds tree plantation drive

Staff of Reliance Communications planting trees in Chinmay Degree College, Haridwar.

Haridwar, July 2
Exemplifying Reliance Communications' commitment towards corporate social responsibility for a pollution free environment, a tree plantation drive was held at Chinmay Degree College, Haridwar today.

The tree plantation drive was led by Mr. Rahul Singh, Cluster Head, Reliance Communications, Dehradun. Trees of different varieties were planted on the college campus. Speaking on the occasion, Mr. Rahul Singh, Cluster Head, Reliance Communications, Dehradun said, "Reliance has always upheld social cause, of which environment in the foremost. In these times of global warming, trees are very vital for human existence. Realizing our social obligation, we are holding this drive as part of our contribution toward preserving the environment."

"With concrete jungles coming up all over, there has been a huge scarcity of suitable place for animals and birds to habitat. We at Reliance Communication realize our social responsibility towards all living beings. Hence, we thought of undertaking this drive to plant trees," said Mr. Shyamal Rai, Area Head, Reliance Communications, Haridwar.

Mr. Alok Kumar, Principal, Chinmay Degree College,

Haridwar said, "Trees are our valuable assets. They not only give us life, but also safeguard us from various man made and natural calamities."

In this plantation drive, Reliance Communications employees from Cluster and area offices, channel partners, staff and students of Chinmay Degree College enthusiastically took part.
