### **REL Q4 PAT surges 31% to Rs 311cr**

**New Delhi:** Anil Ambani group company Reliance Energy (REL) on Monday reported a standalone net profit of Rs 311 crore for the fourth quarter ended March 31 on the back of higher energy sale, a 31% increase over the same quarter a year ago.

The company's total income rose to Rs 1,977 crore in January-March period from Rs 1,890 in the corresponding period last year, a company statement said.

It also announced change of its name to Reliance Infrastructure and said that aggregate revenue from energy sales during 2007-08 was Rs 4,920 crore, against Rs 3,611 crore in the previous year.

It recorded a net profit of Rs 1,085 crore in the year ended March 31, 2008, compared to Rs 801 crore last year.

Consolidated net profit of the year was Rs 1,178 crore, against Rs 834 crore in the last financial year, it said.

The board of directors approved the payment of final dividend of Rs 6.3 per share, leading to a payment of Rs 173 crore for the last financial year, the statement said. AGENCIES
